1474 W. Granada Blvd. #470 - Ormond Beach, FL 32174 (386) 673-3011

Dilation is part of your eye exam performed at no additional charge to you. The eye doctor will place a drop in your eye. This allows the doctor to view the back of your eye more thoroughly. If you choose to be dilated, you will experience blurry vision up close and you may be light sensitive for up to 4-6 hours.

- Yes, I would like to be dilated by the doctor.
- No, I do not want to be dilated.
- If the doctor thinks this is necessary, I would like to be dilated.
- I would like to be dilated at another time.
