

## DAYTONA EYE CENTER

WE ARE EXCITED TO ANNOUNCE WE HAVE INCORPORATED A NEW COMPUTERIZED VISUAL FIELD INSTRUMENT, THE FDT, INTO OUR PRACTICE. THE FDT CAN AID IN THE DETECTION OF THE FOLLOWING PROBLEMS;

- ✓ GLAUCOMA
- ✓ BRAIN TUMORS
- ✓ MACULAR DEGENERATION
- ✓ DIABETES
- ✓ OPTIC NERVE DISEASE
- ✓ RETINAL DETACHMENT

WE STRONGLY RECOMMEND THAT ALL OUR PATIENTS TAKE THIS EVALUATION ONCE A YEAR, ESPECIALLY IF YOU HAVE BEEN HAVING HEADACHES, HIGH BLOOD PRESSURE, OR ANY VISUAL PROBLEM.

THE FDT TEST TAKES AN ADDITIONAL 5 MINUTES OF YOUR TIME AND THERE IS A NOMINAL FEE OF \$15.00. INSURANCE DOES NOT COVER.

PLEASE CHECK THE APPROPRIATE BOX:

- YES, I WOULD LIKE TO TAKE THE FDT TEST.
- NO, AT THIS TIME I CHOOSE NOT TO TAKE THE FDT TEST.

SIGNED  \_\_\_\_\_ DATE \_\_\_\_/\_\_\_\_/\_\_\_\_

Please note that while this test is optional for some patients, it represents preventative healthcare for others. It may be required to rule out certain eye diseases. In this case, you may be able to submit your bill for the visual field test to your insurance company for reimbursement.
